## **Video Links**

Below are a sampling of documentary style video productions done on behalf of international broadcasters where I acted as on the ground producer, director of photography and script writer. There are also some commercial productions in there from business done in the Real Estate field. Not included are links to over 300 live stream archives of various rugby matches produced by myself from across Canada and locations such as the UK, Mexico, Trinidad and Tobago as well as Olympic qualifying in the United States.

## **Magazine Links - RugbyCa**

These are links to online versions of the RugbyCA magazine, which was the the national print publication for Rugby Canada. I was the Editor in Chief, assigning stories, sourcing photography and working with the layout editor to create a vibrant and attractive publication in both French and English.
